IN A NUTSHELL

Explore our pure and safe products that keep the health and day-to-day well being for pets and omestic animals.

We offer only the best for our animals, humans, and our planet.

We dreamed up our products out of pure love for animals

We created our full range of shampoos, conditioners, cleaners, balms, and between-bath grooming products to offer solutions for various needs from every day cleansing and coat conditioning to itch relief, hot spots, skin sensitivity, oral care, paw protection, and beyond.

For your pet's health, Pannatural Pets products are always non toxic, paraben & sulfate free, phthalate free, phosphate free, dye free, colourants and soap free. And the pH balance (pH7) is adjusted to the animal's specific needs.

All Pannatural Pets® products are vegan and endorsed by the Beauty Without Cruelty Organization.

We're always looking for new opportunities to share (and educate about) the natural lifestyle way with others. We are constantly developing and formulating our products.

We supply our products all over South Africa.
